2026 MQCC Business Awards

About the Awards

Since 2013, the Manitoba Queer Chamber of Commerce has proudly recognized individuals, organizations, and businesses whose leadership, innovation, and dedication are creating a positive impact on Manitoba's 2SLGBTQIA+ and broader business communities. The MQCC Annual Business Awards celebrate the visionaries who champion diversity, foster inclusion, and strengthen our economy while uplifting queer voices. Together, they highlight the power of entrepreneurship, allyship, and community building in shaping a more vibrant, equitable Manitoba.

After a several-year hiatus, MQCC is thrilled to bring back this celebration of our incredible community. **This year's Awards reception will be held March 19, 2026 at the Winnipeg Art Gallery.** There we will honour MQCC Business Awards recipients and celebrate the completion of the first cohort of our EMERGE: Queer Entrepreneur Development Program.

The recipient demonstrates that creating equitable, supportive workplaces is not only good for business but essential for building stronger communities. This award shines a light on employers who model best practices and inspire others to follow suit.
